Description of the project

“Enjoy the diversities” is a training course that want to help youth workers and teachers, in their daily work, giving to them a series of new tools to prevent, raise awareness, identify and stop discrimination among young people.

Through different Non Formal education, the participants will be more prepared when it comes to talk about stereotype, prejudice and tolerance, with youngsters and adults.

The training will help them to understand more about the effects and the different ways of discrimination, in order to increase knowledge, skills and attitude of the youth workers. They will explore the diversities between their cultures in order to embrace them and appreciate more their own and the others.

The learning process of the training course will include practice of non-formal education methods that can help young people speak up against discrimination.

Objectives:

1) Gain more knowledge about the different types of discrimination, the negative effects of discrimination. What are stereotypes and prejudices and how to avoid them.

2) Development of skills in using non-formal methods for different groups, communicating with reference to sensitive topics in a more effective way, increasing working skills with young people and skills of youth workers

3) During the project: they will have greater self-confidence, they will develop an attitude to protect people who are discriminated. They will try to stop discrimination and explain to young people, which are the negative effects; they will be more attentive to their attitude towards other people and will try not to be discriminating and discriminated.

Reimbursement

All the project is financed by Erasmus Plus Programme.

In the next table, you can find the amount of the reimbursement for each participant; we cannot reimburse more than that limit.

In order to receive the reimbursement, each participant **must** keep all the invoices, receipts, emails and boarding passes, we cannot give the money back without these documents.

You can add to your travel 2 days, if you want to come earlier or to stay longer, but the expensive for food and accommodation during extra days are on your own.

| Country | Participants | Travel Budget Limit |
|---------|--------------|---------------------|
| Italy | 4 | 20 € |
| Croatia | 4 | 275 € |
| Romania | 4 | 275 € |
| Spain | 4 | 275 € |
| Sweden | 4 | 275 € |
| Turkey | 4 | 360 € |

The reimbursement will be done through bank transfer to the accounts of each organization. The organization will then give the money to each participant.

IMPORTANT: Do not buy the tickets before confirmation from your sending organisation and us!

Other Costs:

There is no participation fee.

Accommodation, food and coffee breaks are covered by the project.

We will make sure to provide also vegetarian/vegan meals upon request.

Intercultural Night

During the project, we will have intercultural nights; it is a moment where you will have the chance to present curiosities, facts, food, traditional dances, songs, music in a creative way (we do not want promotional, touristic videos). You can organize with your time what to prepare and what to bring, for example: traditional food, flyers, postcards, pictures, artefacts, small presents for the other participants.

Be Creative and do not forget about some vegetarians and vegan options when you organize the food!

Youthpass

Within the frame of „recognition of non-formal learning“, participants will receive a “Youthpass” Certificate. Youthpass is an official recognized tool in order to validate non-formal learning aspects gained during the training.

This certificate has international recognition.
